

# AMONTHEP PHETJIARNAI (Game)

Age : 24 years old

I am passionate about graphic design and possess a solid understanding of efficient UI/UX design principles. With diverse professional experience and expertise in various software applications, I excel in creativity, problem-solving, teamwork, and effective communication. My career goal is to become a renowned designer and a leader who shares knowledge and experiences, creates high-quality work, and gains recognition within the industry.
